Any invoice that hasn't been settled at the end of payment period, a reminder letter will be sent.

Penalties: In case of delays, non-payment or late payment; penalties of 1.5 times of the current interest rate will apply after a formal notice and without further reminders.

Legal costs recovery: A fixed payable fee of 40.00€ per invoice for recovery costs will be charged (Decree 2012-115 of 2-10-2012). However, if the recovery cost incurred exceeds the limit, additional compensation will be charged.

Litigation: In the event of non-payment on time and after sending a formal notice, the case will be referred to the litigation department. The debt collection costs and late penalties will be the responsibility of the Customer.

---

### EXCEPTIONAL CLAUSES

---

#### CANCELATION OF BENEFITS AND SPECIAL DISCOUNT

AIDC may in the event of non-compliance with the legal deadlines for payment of invoices, cancel immediately and definitively any commercial advantage granted to the Customer. The cost occurred by external debts collectors will be added to the invoices in chronological order of issue.

---

#### TERMINATION OF CONTRACT

In the event of non-compliance by one of the parties of any of its obligations, the contractual relations may be terminated automatically by one or other of the parties, formal written thirty (30) working days' notice by registered letter with acknowledgment receipt that has not received a follow-up.

## SEIZURE OF AIRCRAFT

AIDC reserves the right to oppose a Customer who is the object of a breach of the obligations of settlement, and implement measures of conservatory seizure in accordance with the legal provisions in force.

Article L123-4 civil aviation Code:

"In the event of non-payment or insufficient payment of airport charges, handling charges or administrative penalties imposed by the Airport Control Authority, the Airport Operator or Administration Authority and Law Enforcement Authorities may, after prior written notice in attempts to obtain all settlement of invoices, repossess the aircraft as precautionary measure till payment of all debts has been settled by the customer.

The order of judgement enforcement is forwarded to the Air Traffic Control Authorities for the purpose of repossessing the aircraft. The customer is then notified of the judgement as well as the operator of the aircraft

The customer or the owner of the aircraft will be held liable for all legal costs occurred by such outcome.

Payment of the sums due shall result in the release of the aircraft. "

## INTELLECTUAL PROPERTY RIGHTS

All use, copy or broadcast of all items covered by intellectual property rights is strictly prohibited without prior permission from AIDC.

## LIABILITY AND INDEMNITY

The Customer and its insurers shall not make any claim against AIDC and its insurers for any damages of any nature (delay, injury or death of passengers, injuries or death of employees of the Customer, loss of luggage, goods, damage to property of the Customer and any consequential financial damages, etc.) suffered as a result of, or in connection with, the performance of the Services and guarantee, to the extent permitted by law, against any recourse by third parties for damages of any nature suffered by, or in connection with, the performance of the Services, except in the case of serious negligence or intentional misconduct of AIDC.

AIDC and its insurers shall not make any claim against the Client and its insurers for damages of any nature suffered as a result of or in connection with the performance of the Services, except in the case of serious negligence or intentional misconduct of the Customer.

Finally, and notwithstanding what is stated in the first paragraph above, AIDC warrants the Customer for any material damage to the aircraft caused by a negligent action or omission of AIDC, within the following financial limits:

<b>Aircrafts</b>	<b>Limitation of liability</b>
Airline Jets	€500,000
Helicopters	€100,000
Business Jets	1% of aircraft value, subject to a minimum of €50,000

The liability of AIDC cannot be sought by the Customer for financial losses such as, and not limited to, losses of operations, losses of revenue, except in case of serious negligence or willful misconduct.

Damages less than € 3,000 will not be claimable.

## FORCE MAJEURE

AIDC shall be exempt from any liability for any failure to perform its obligations in respect the terms and conditions of sale resulting from force majeure. Force majeure covers any other causes outside of AIDC's control as per article 1148 of the civil Code.

## DISPUTES - TRIBUNAL - GOVERNING LAWS AND JURIDICTION - LANGUAGE

Any dispute, claim or execution in connection with GT&C is subject to French law.

Failure to resolve any dispute, the matter will be referred to The Commerce Tribunal of Toulon. In case of contradiction or misinterpretation or miss translation, only the French version of the GT&C will be upheld in resolving the matter between the two parties.
